**RE FEBRUARY FOCUS MONTH:  
Ethical Food & Eating Issues  
February 7-February 28**

For the fourth year, we will devote a month to age-appropriate study, special events, and social service projects, this year around the topic of "ethical food and eating issues."

"Food issues" can include hunger, healthy food choices and availability, farming, the food industry, etc. If you would like to help develop the classes, please let us know. This would include two or three committee meetings and participation in the classes.

If you are scheduled to teach Unit 2, you will be involved in teaching the focus month curriculum and helping supervise your class during the Children's Chapels and special events and activities.

If applicable, how long has your family been involved in the RE Program at this church? \_\_\_\_\_

Have you taught in this program or other settings? If so, which grade? What curriculum? \_\_\_\_\_

**Code of Ethics Statement:** The relationship between young people and their leaders is based on natural respect. As an adult in a leadership role, I will provide for the nurture, care and support of the children and youth. I will refrain from engaging in behavior that is harmful to their physical, emotional or spiritual development. I affirm that there is nothing in my background that would call into question my being entrusted with the supervision, guidance and care of children and youth.

I affirm that I have never been convicted of a crime or offense involving unlawful conduct, assault, or endangering the welfare of a child, nor has it been determined by a court or child welfare agency that I have abused a child. I understand that to protect the children and youth, myself, and this congregation, that there must be a minimum of 2 adults in each classroom. Should I be disallowed to work with children or youth, I realize that I shall have no recourse against the ministerial staff.
